Dear Cynthia,

I wanted to take the opportunity to thank you for your donation to the New Jersey Governor's School of the Arts. Your donation of funds for art and video supplies is greatly appreciated in this year of such financial difficulty. Thank you again for your continued support of the Governor's School of the Arts.

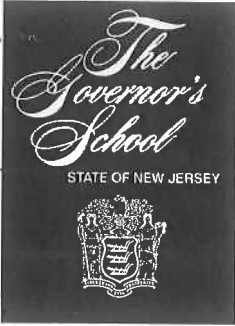

I am sorry that you will be unable to join us for any of the program this year. I will save any programs and send them to you along with any recordings or photos of the scholars' work. I look forward to working together with you again in the future.

Warmest regards,

*Bill*

Dear Cynthia,

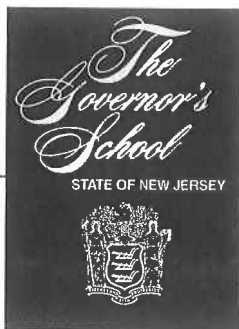

I wanted to take the opportunity to thank you again for your donation to support the New Jersey Governor's School of the Arts' participation in the Governor's Awards in Arts Education. Your donation of funds for the registration fee and the medallions enabled us to participate in that wonderful program once again, and your generous cash award to each recipient was a very touching gesture. I know that it meant a lot to the six scholars who received the awards. I personally would have been very disappointed not to be able to honor them due to our budget constraints.

Thank you for your continued support of the Governor's School of the Arts. I know that you share my belief in the importance of such a program, and I greatly appreciate that. What a wonderful legacy you have created for Jennifer. I look forward to working together in the future.

Warmest regards,

*Bill*

Dear Cynthia,

Thank you very much for your recent donation of \$250. We have finished duplicating the letters and will begin mailing them this week. I sincerely hope that this will bring in some badly needed donations. Once again your Jan-Ai Scholarship Fund has been an angel for the Governor's School of the Arts. I cannot tell you how grateful we are for your generosity. I look forward to seeing you at the Governor's Awards in Arts Education ceremony.

Dear Ms. Walker:

Thank you for the very generous donation from the Jan-Ai Scholarship Fund in memory of your daughter, Jennifer Cakert. The camera and equipment that was donated to the Governor's School of the Arts program will be used in the photography component of the Visual Arts Division.

Having this camera will enable the scholars to accomplish more than we originally anticipated. Of course we will be able to use this for future scholars too. We appreciated your generosity and your vision in helping our program. We know that one of Jennifer's interests was photography and this donation was a lovely gesture in her memory.

Sincerely,

Marcia Taylor, Ph.D.  
Director
